Deep Understanding of the Case

Before proposing solutions, it is crucial to thoroughly analyze the case. This involves identifying core issues, understanding organizational context, and reviewing relevant data. Effective solutions stem from a clear grasp of the problem's root causes.

Structured Problem Analysis

An organized approach ensures all aspects of the problem are considered. Common frameworks include SWOT analysis, Porter's Five Forces, and the 4Ps of Marketing. These tools help in dissecting the case systematically.

Developing Strategic Alternatives

Based on analysis, multiple potential solutions should be developed. Each alternative should be evaluated for feasibility, risks, costs, and benefits.

Recommendation and Justification
